Notice

1 Title

This notice is the Fisheries (Declaration of New Stocks Subject to Quota Management System) Notice (No 2) 2002.

Note

The Parliamentary Counsel Office has made editorial and format changes to this version using the powers under subpart 2 of Part 3 of the Legislation Act 2019.

Note 4 at the end of this version provides a list of the amendments included in it.

This notice is administered by the Ministry for Primary Industries.

2 Commencement

This notice comes into force on the day after the date of its notification in the *Gazette*.

3 References to quota management areas, species, and codes

In Schedule 1,—

- (a) the quota management areas referred to by a reference number are the fishery management areas described by reference to the same number in Part 1 of Schedule 1 of the Fisheries Act 1996, except as provided in paragraph (c);
- (b) where 2 or more quota management areas are shown as combined in respect of a stock, the combined areas together comprise 1 quota management area for that stock;
- (c) in the case of particular sea urchin, kina, and sea egg stocks in the North Island fishery management areas, the references to quota management areas 1A, 1B, 2A, and 2B are references to the areas set out in Schedule 2;
- (d) the references to fishstock codes are references to the reporting codes in Part 1 of Schedule 3 of the Fisheries (Reporting) Regulations 2001 that exist immediately before the commencement of this notice;
- (e) the references to QMS codes are references to the codes for the relevant stock once it is introduced to the quota management system.

Clause 3(c): amended, on 6 October 2023, by regulation 90 of the Fisheries Amendment Regulations 2023 (SL 2023/243).

4 New stocks to be subject to quota management system

The stocks specified in the second column of Schedule 1, in the quota management areas specified in the third column of that schedule, are subject to the quota management system on and from 1 October 2003.

5 Fishing year

The fishing year for each stock specified in Schedule 1 is the 12-month period beginning on 1 October in any year.

6 How total allowable commercial catches and annual catch entitlements to be expressed

The total allowable commercial catch and annual catch entitlements for each stock specified in Schedule 1 are to be expressed as greenweight.
