### **Explanatory note**

*This note is not part of the order, but is intended to indicate its general effect.*

This order, which comes into force on the 28th day after the date of its notification in the *Gazette*,—

- adds certain scallop stocks to Schedule 2 of the Fisheries Act 1996 (which lists stocks whose abundance is highly variable, and whose total allowable catch may be increased during a fishing year):
- amends Schedule 6 of the Fisheries Act 1996 (which allows certain species to be returned to the water, subject to relevant requirements) to include in that schedule all pipi and cockle stocks (other than PPI10, COC3, and COC10), all kingfish stocks, and certain scallop and oyster stocks. Some of the scientific names of stocks have also been updated.

Issued under the authority of the Acts and Regulations Publication Act 1989.

Date of notification in *Gazette*: 8 December 2005.

This order is administered by the Ministry of Fisheries.
