This note is not part of the notice, but is intended to indicate its general effect.

This notice, which comes into force on 30 September 2007, removes outdated references to total allowable catches for certain fishstocks set in 4 different Fisheries (Total Allowable Catches) Notices. The removed references have all been superseded by new total allowable catches set under the Fisheries Act 1996 by various notices in the *Gazette*.

Issued under the authority of the Acts and Regulations Publication Act 1989.
Date of notification in *Gazette*: 27 September 2007.
